Forecast For East of England
Issued by Met Office Exeter
at 0400 on Thursday 17 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Overnight thunderstorms clearing Thursday morning. Mainly fine Thursday afternoon.

Today:
Early thundery showers drifting into the north sea. However, further showers will quickly develop turning heavy and thundery in places. Some drier brighter spells as well, especially later. Maximum temperature 26 deg C (79 deg F).

Tonight:
Dry with some clear spells at first tonight. However, after midnight cloud will thicken as a band of heavy and thundery rain drifts northwards across the region. Minimum temperature 11 deg C (52 deg F).

Friday:
A cloudy day with long periods of locally heavy and thundery rain. Heavy rain continuing overnight. Maximum temperature 18 deg C (64 deg F).

Outlook for Saturday to Monday:
Early heavy rain clearing on Saturday leaving a mostly dry day. Unsettled on Sunday and Monday with thundery showers, merging at times into longer spells of locally heavy rain.
